Tot Rock & Kid Rock Classes

Tot Rock

Maracas and clackers and tambourines, too; it's musical fun just for you! Tot Rock is a unique music and learning program designed specifically for 12-23 month olds and a significant adult. Each session focuses on a new educational theme that incorporates handheld instruments, play props, sensory integration, coordination exercises, and socialization. Structured and unstructured time is included in each class.

Kid Rock

Make it a musical day! Kid Rock is a music and movement program designed for 24-35 month olds and a significant adult to enjoy together. The program stimulates development through interactive play. Fine and gross motor skills are improved through imagination exercises, and by using rhythm instruments and movement props such as tambourines, maracas, scarves and a parachute. Presented in a structured format, Kid Rock encourages cooperation and following directions. Each session focuses on a new educational theme.
