

Little Ones Room Parent Volunteers

In order to create a community within each classroom, we really need parents to volunteer to be Room Parents to assist in supporting their child's class. We are trying to get 2 volunteers for each class so that no one feels like s/he needs to do the job alone. Responsibilities include coordinating class get-togethers, parent committee help, and teacher gifts. **We really need your help! If you are interested, please complete the form below and return by August 1st.**
