What is You and Me?

You and Me is a special opportunity for parents or caregivers and their 12 to 36-month-olds to explore music and movement, songs, finger plays, art activities, stories and more. It's a great way for children to experience their first group time without having to separate from a significant adult.

Why You and Me?

You and Me sets the stage for successful early childhood development. Children as young as 12 months can begin to develop the skills they need for preschool and beyond. Through You and Me children develop language, social, emotional and physical skills, and become comfortable in an educational environment. You and Me supports your child's future transition into preschool.
