

Little Ones Room Parent Volunteers

In order to create a community within each classroom, we would love for you to be Room Parents! We are trying to get 2 volunteers for each class so that no one feels like s/he needs to do the job alone. Responsibilities include coordinating class get-togethers on days off of school, teacher gifts (winter, teacher appreciation & end of year) and any other coordination with school events if needed. **We really need your help! If you are interested, please complete the form below and return by July 15th.**
